Playoff Note for the following Grades: 10U, 12U, Masters and Senior B: After the round robin, teams will be seeded into a double elimination play off round. In this type of playoff, participants need to lose twice before they are eliminated (excluding the gold medal game). The bracket consists of two brackets: a winners (W) bracket and a losers (L) bracket. Team that lose a game in the Winners bracket will move down to the Loser bracket. A second loss will then eliminate them from the tournament (excluding the Gold Medal Game).

Games 58, 61 and 78 to be used for JW when rescheduled.
